## BRINTONS WELCOMES RUSTY JOYCE AS PRESIDENT OF THE AMERICAS

ATLANTA, Mar 7, 2019 – Brintons is excited to announce and welcome Rusty Joyce to its Americas team as its newly created President of Brintons Americas. With the region being the 236-year-old Axminster giant's single largest market, the appointment of this new position creates a promising atmosphere for future expansion.

As a seasoned operator with a timeline peppered with accomplishments such as a B.S. in Business/Marketing from Bradley University in Peoria, Illinois and an M.B.A. in Business from the University of Notre Dame, Rusty continues his successful career leading Brintons across the Americas.

With a career launching in the late 1980s with the largest private flooring company in the US, Milliken & Co, combined with his last 11 years at Tandus Centiva, part of the Tarkett Group, Rusty brings with him an intimate knowledge of leadership in the flooring industry.

Rusty joins the Brintons Americas team to strategically expand the carpet manufacturer's core offer of Axminster and Wilton products while enlarging the company's business potential.
